Herr Dr. Buchenau  
Konservator des kgl. Münzkabinettes  
München, Germany

Dear Sir:

We are desirous of completing the file of the *Blätter für Münzfreunde* in our library, and I am writing to ask whether you could supply the numbers which have been published since December, 1914, and which is the last we received.

I think we previously exchanged publications and that this exchange was interrupted during the War period. If it is satisfactory to you, we shall be glad to offer you an equivalent value of numbers of our *Journal of American Numismatics*. If, on the other hand, you wish us to give you a cash valuation for the numbers desired, please let me have your statement of this amount.

Yours truly,

Librarian and Secretary
